The cast of Dada's has been rocked.

My friend is keeping it rocked. Father's death will be, everyone is humbled, the deathbed is laid in peace. But there is a secret inside everyone, the death of people. I went to the hospital once. I said to one of my jealous friends, I am dead!

Dr. He said, yes, there are twelve.
Before this, the legs were cut, and the legs were cut. What now?

Tell me a dead man. If

Don't think too much about smallpox,
it's annoying and sometimes very
bad. Shortage of copper
and lack of patience?

It's just a matter of course. There is
no shortage of crops, fish ponds, and

A shadow on the other side of the car,
very moving. The wind blows
outside. It has a color and it falls on
the stone. It's nice to see that. An

inward feeling is felt, a third wakes
up, it is desperately sought. Then an
idea is found. The signature of the
six results is a small one, its name^N is
